I'm good with that. I just want to let them know so they do not continue to wait for them. I will copy you both.

Thanks.

Yes – I'm fine with you sending them an update – thanks much! In fact, you can also send them the slides as well, while letting them know that the RD/IO has them and reserves the right to make last minute changes, etc. Let me know if this works for you both.

Hi Marion,

I owe the Aldicarb team a note on the slides.

Are you OK with me letting them know that the slides had to be sent to Marietta earlier, that we had tried to capture most of the discussion from the meeting this morning and there was no time for further team review?

Let me know.

Thanks.

Debra

Marietta:

Per my earlier email from this afternoon at 2:52 p.m., I am forwarding the aldicarb slides prepared for the upcoming DD briefing as well as the AA briefing. We are prepared to send the slides forward to the other DDs and participants for tomorrow's meeting, so let me know if the RD/IO would prefer to glean through the slides prior to sending them to the broader Divisional participants. We also look forward to any additional comments that you may have.

Best regards,

Marion J.
